

# Participate!

Win up to 2 free months  
of Bright MLS service

Get involved and be rewarded.

## Who doesn't like getting something for free?

As part of the Power Up process for Bright MLS, CAR and SCAOR members converting to Bright MLS in June are invited to complete two simple tasks:

1. Set up and enable auto-pay through Account & Settings.
2. Complete 3 Bright training classes (classroom, webinar, or office training) taught by a Bright Trainer or Customer Success Champion.

Do these two things by **June 30, 2018**, and you'll get two free months of MLS service!

Visit [BrightMLS.com](http://BrightMLS.com) for more information and to get started.

Please note: If you have an existing balance at the time you set up your automatic payment method (either for a new or an existing card), you will need to pay your balance. Your automatic payment card will only pay a balance if it was set up for automatic payment prior to the balance being posted.

\*A subscriber must enable autopay to receive the first free month. To receive two months, a subscriber must enable autopay and attend 3 classes. Offer not transferable or redeemable for cash, specifically the credit is only available for the account which earned the discount and will not be able to be used by other accounts. Offer is only eligible for CAR and SCAOR members converting to Bright MLS in June. Bright will apply the credit toward your July-September renewal. Eligible classes include any classroom, webinar or office training by a Bright Trainer or Customer Success Champion.
